“

Academia is the death of cinema. It is the very opposite of passion. Film is not the art of scholars, but of illiterates.

”

- Werner Herzog

“

Three films a day, three books a week and records of great music would be enough to make me happy to the day I die.

”

- François Truffaut

“

We live in an age when it is cheaper to buy the rights to movies than to make them.

”

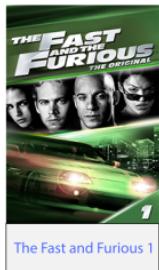

- Hayao Miyazaki

### What is a film?

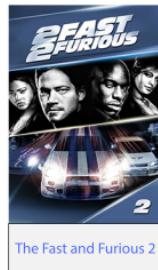

A film, also called a movie or a motion picture, is a series of still photographs on film projected onto a screen using light in rapid succession. The optical phenomenon known as persistence of vision gives the illusion of actual, smooth, and continuous movement.
